

<p> Poly Art Studios ; presents one our most ambitious packs .</p>

<p>This pack contains 13 Pieces and DemoScene </p>

<p>- Model is scaled correctly</p>

<p>- Stander material : </p>

<p>- textures quality: 1024x1024 (You can change the size of the texture on your own)</p>

<p>- tree (896 vertices)</p>

<p>- sandwich (1435 vertices)</p>

<p>- ring (1485 vertices)</p>

<p>- money (468 vertices)</p>

<p>- controller (7176 vertices)</p>

<p>- floor (68 vertices)</p>

<p>- cucumber (619 vertices)</p>

<p>- book (146 vertices)</p>

<p>- Gate (1020 vertices)</p>

<p>- how to modify lighting: -skybox material select sky material </p>

<p>- environment lighting source select color </p>

<p>- environment lighting ambient color select 525252 </p>

<p>- environment reflections source select skybox </p>

<p>- environment Reflections resolution select 128 </p>

<p>- environment Reflections compression select auto </p>

<p>- environment Reflections Intensity select 0.542 </p>

<p>- environment Reflections Bounces select 128 </p>

<p>■ Unity Compatibility ■ </p>

<p>Works in Unity 2019.4 and above. </p>
